

Community Life Minister

Southpoint Church is looking for the right person to lead the strategy and methodology of our Community Life Ministry through a team of committed volunteers and staff across 3 campuses.

Our mission is to Win Downriver (the region south of Detroit with 350,000 people) to Christ by creating committed, connected, and contributing Christians. Southpoint is non-denominational (Christian Churches).

We're looking for a team-building leader who:

- Can turn the vision of Southpoint into a workable plan for increasing participation and quality of our small groups.
- Works well with and through others and excels at developing leaders around them.
- Can facilitate connection through groups so they become the focus of pastoral care and missional service.

Will report directly to the Operations Minister.

Salary will be competitive and include health, dental, vision, paid vacation, and retirement benefits. Bible college bachelor's degree is preferred.
